

Membership Fee Waiver Policy

It is Kids Korps USA's policy to make our programs and services available to all youth ages 5 through 18. Kids Korps offers full and partial membership fee waivers to youth who wish to participate in Kids Korps' activities.

The youth member fee waiver fund is built through the generous donations of members and sponsors. The fee waiver fund is managed by the national Kids Korps office. Fee waivers are available on a first-come, first-serve basis and are granted based on fund availability for that membership year. Fee waivers are granted for one membership year. The chapter or individual may re-apply for a fee waiver the following year.

Fee waivers are applied to Kids Korps membership only. The cost of an annual Kids Korps membership is \$28.00. The fee waiver policy allows a reduction of or exemption from the \$28 membership fee. There are no fee waivers for t-shirts or chapter dues.

There are 2 formats for a fee waiver request:

1. A Chapter Leader may request a fee waiver for one or more youth members in their Chapter by completing the *Chapter Leader Fee Waiver Request Form**.
2. A youth may request a fee waiver as an individual by completing the *Youth Member Fee Waiver Request Form**.

The fee waiver request is reviewed and processed by the Chapter & Membership Director and the Kids Korps accounting office, which monitors the fee waiver fund. Individuals granted fee waivers will be notified by the Chapter & Membership Director, and will still need to complete, sign and return the *Membership Application**.

* The Fee Waiver and Membership Application forms can be found in the Form Appendix at the back of the Chapter Leader Guide.
